His awesome kindness

WE WILL LEARN

As you can tell, we've been learning a lot this month! We truly believe it's been Jesus's awesome kindness that we've been able to see the fruit of what we've been praying and expecting for. Here's a testimony from one of our missionaries:

"The Bible lessons are never only for the kids. One day we read Isaiah 43:1-4 and talked about what we are to do when God calls our name. All the children said "We listen!" and "We would go to Him!" As one missionary played the part of God, calling each child by name, the children excitedly ran over. Yet one child, distracted in play with a little train, responded, "Hold on a minute."

In that moment I saw Jesus' heart in my life and in the lives of others. How many times have I said the same, telling my Creator to wait? How many times have I been too distracted little things right in front of me, missing the beauty of relationship with Him? Yet through it all Jesus never yields to my own limitations; He always calls me again, calls me deeper. I pray my actions will match the answer we all know is right. I pray we will all give our full "Yes" when, not if, He calls."

- Bethany

carrying His light

“They knew God, but they wouldn’t worship him as God or even give him thanks. And they began to think up foolish ideas of what God was like...they traded the truth about God for a lie.” Romans 1:21-25 NLT

I know that God has created me to carry His light into the darkness, and I also know that He’s wired me to action. I was present in a situation where I couldn’t ‘do’ much, but carry Him and speak His name. My heart breaks to see people that I love and pray for daily choose destruction, but I am not discouraged. Why? Jesus has chosen us to live on the battlegrounds and He’s awakening hearts to His mercy and His salvation. Through that, He’s given me a confidence this week. We can’t afford to trade the truth of who our God is! Is the enemy too powerful for your present situation? No!

Think about where you are currently. Is there a truth that you’re replacing for a lie? How do you see God in the midst of your circumstance? Take some time and begin to thank Him for who He is!

- Mariah

WE WILL HOOP

This month we invited everyone from the gym over for a cookout! Mr. David shared on ‘treating others how you’d like to be treated,’ and conversations revolved around Jesus trumping culture. The word says if we’ll lift Jesus high, He’ll draw people to Himself! (John 12:32) Pray with us for souls to encounter Him, and for Godly mentors and referees to attend Fountain weekly!

We recently had a group of college students from NewSpring Church in South Carolina come to learn all about We Will Go and serve. What God did in this team is beyond incredible and here's just one of the dozens of testimonies from the students God impacted during their time here:

"What I got out of the Jackson Trip

- A Hard Heart towards relationships was left in Jackson
- Newspring is Not the only one doing the works that God has commanded
- I have a Family but before I can be apart of that Family I have to receive the Gift of Family and That's what I'm doing Everyday.
- There are plenty of Loved ones that have been lost whether Living or Dead God calls for every area of my life especially My relationships
- I can bank on the Family God has given me including the Father who gave them to me.
- If you can love someone on a Sunday why can't you love your family everyday? That was a big conviction
- The Enemy had always led me to believe this lie that I couldn't love people because I had never been shown love but God said that I had seen him so that lie wasn't true."

- Brandon

"We came to you a class and left a family!" - Alyssa

From helping plant the fall garden to sitting with a neighbor at dinner on Sundays. From drawing each others portraits to just simply talking with someone in The Urban 'Sip, there are so many different things that love looks like. If you are interested in serving this fall, you can email visitus@wewillgo.org today!

WE WILL CLOTHE & WE WILL FEED

Look at what God does through a monthly thoughtful donation of shoes from Fleet Feet!! Many of our neighbors come in with severely worn out shoes. It's so nice to get to see the many smiles on faces as they receive comfortable shoes.

Winter is coming soon and we are receiving so many donations each week! We are looking for winter clothing items such as long sleeves, pants, boots, thick socks, hats and scarves.

A great way to serve in this area is to hold a **food or clothing drive!** You can pick one item, such as deodorant, shoes or canned foods, and have your workplace, family, children's schools, or church hold a drive. It not only provides for a need but brings an entire group of people together to love God's people.

**WE
WILL
GIVE**

We Will Go is a faith ministry, entirely dependent upon the generosity and responsiveness of the Lord's people to the prompting of the Holy Spirit. It is our joy and honor to share the love of Jesus with our neighbors, friends and visitors, for the purpose of making disciples for His glory. Many of our friends are very generous, both financially and through gifts and supplies they donate to We Will Go. We trust our Lord and Savior to speak to hearts to provide. **He is faithful!**
Give online or by mail. See contact info below.
