WE WILL SERVE

You can be a part of the change.

Change can be seen as a negative thing. It disrupts and brings uncomfortable moments. It means you have to be flexible and willing. Change can also be a good thing. Change brings newness and produces growth.

We recently dug up the gardens from the summer crops, put down more dirt and put in new seeds to produce the winter crops. We now have sprouts of green coming up and we will have food to eat during the winter time. If we hadn't have gone with the flow of the change of seasons, trying to stay in summer and to keep eating produce that wasn't growing anymore, we wouldn't have been successful. Change does bring good things and now we can feed our neighbors from this produce!

If you feel like things are changing for you in this season, or that things need to change, we encourage you to seek God in what that is to look like, and do email us at info@wewillgo.org with anything we can pray for you about on this! It might even be to come and intern with us! Look at our website for more information on that! <https://wewillgo.org/internship-program/>.

We get the privilege of welcoming some pretty amazing people to serve with us throughout the school year! College students from all over Jackson come for field placements but what they didn't know was that it would end up being so much more than that! Here's a testimony from our friend, Dave:

"My time here at WWG has been amazing. I wish I had not waited until my senior year at Belhaven to get involved with what God is doing here. But I am ecstatic that I am able to be a field placement intern here and to be welcomed as part of the family. The Lord has shown me to be more expectant of him to move and work. Through loving, talking and praying with the people in this neighborhood God has shown me more of his kindness that he has for each and every person including me! I have been so blessed by the missionaries welcoming me and calling me apart of the family. They are a testament of the atmosphere that God has been cultivating here in the Farish neighborhood." -Dave Simpson

WE WILL CLOTHE & WE WILL FEED

Here at WWG we give Christmas bags out to our neighbors on Christmas Day. This year God has put it on our hearts to provide back packs filled with:

- (40) women's beanie/winter hat
- (60) men's winter hat/skull cap
- (100) lotions
- (100) chapstick
- (100) tubes of toothpaste
- (100) tooth brushes
- (100) nail clippers
- (60) men's deodorant / (40) women's Candy (individually wrapped)

It is beginning to get colder outside and our neighbors need these items to stay warm and healthy. If you are interested in donating you can contact **Donna** at **601-398-2410 ext 1**.

If you are in a small group, youth group, business or anyone looking to do a mission's project, it would be such a blessing for you to hold a **food drive**. Pop top cans, if available, are very helpful for the ones we serve who are living in the streets. We are always looking for groups to partner with us in providing **Sunday** or **holiday meals**. Donating the industrial sized cans of vegetables is always very helpful. If you have any questions please contact **Christy** at **601-398-2410 ext. 2** or **662-614-1046**. **WE
WILL
GIVE**

We Will Go is a faith ministry, entirely dependent upon the generosity and responsiveness of the Lord's people to the prompting of the Holy Spirit. It is our joy and honor to share the love of Jesus with our neighbors, friends and visitors, for the purpose of making disciples for His glory. Many of our friends are very generous, both financially and through gifts and supplies they donate to We Will Go. We trust our Lord and Savior to speak to hearts to provide. **He is faithful!**
