## Christmas at We Will Go!

We had such a great month celebrating the birth of Jesus! We celebrated with a fun party for Jesus' birthday, a gym ministry party, and a live nativity with kids and missionaries as the cast. We want to say thank you to everyone who has volunteered and given. We were able to give 85 gifts to those who attend our Fountain ministry. We were so excited to hear stories of small groups and families who chose not to buy for themselves, but to give to our flock instead. It is such a blessing to be able to partner with you guys and to bless others this season!

# WE WILL LEARN

Jesus always loves to give us His desires to pray together. When Mariah prays for our city, Jesus often shows her the men in our gym. Recently I began praying with Jesus for people to come and tithe their time to Him here with us. Last week, both of those prayers were answered beautifully as one of the young men from our gym, prompted by the Holy Spirit, asked if he could "tithe his time" by working with the children in the homework room. We sat in awe as the children waited patiently to read with this young man. The next day, two young men from the basketball gym came to help our children with their reading and homework. We know this is only the beginning of God transforming our city in yet another beautiful way. Join with us as we thank Jesus for this sweet fruit and pray for our young men to continue growing in leadership here in Jackson.

## Meet We Will Go's Hospitality team!

Ruth, Marilyn and Ann Bradley! Each have their own testimony of how they got here and each can tell you that being in Hospitality has taught them more on how to Love like Jesus! Each visitor, before they arrive at We Will Go, will be contacted and asked for some information so that our Hospitality team can prepare, with the aim of excellence for each individual, family or team! Once they arrive we will invite each person to serve alongside us, as a family. Yet, we get the privilege to see Jesus do more in each person's heart as they serve than they expected! We love how Jesus cares for each of His children, teaching them and ministering to them as they serve Him. It is one of the greatest miracles to see hearts changed, and this team gets to see it daily! Come and visit us soon and see firsthand all that Jesus is doing here in Downtown Jackson!

**If you would like to come and join our team at We Will Go, please email us at [visitus@wewillgo.org](mailto:visitus@wewillgo.org) to arrange a visit and an interview! We have our application forms ready to download on our website: [www.wewillgo.org](http://www.wewillgo.org)!**

# 2019

*at We Will Go*

Wow, 2018 has come to a close! What a year it has been! We are so honored to have been able to witness miracles, the impossible, and Jesus truly turning hearts to Himself! From thousands of visitors to a super fun camp, a new building and a new house to baptisms and salvations, Jesus has truly shown off! We have seen many hearts soften to the gospel of Jesus as we have continued to love and serve His people as He would. We believe God is always working and we are watching the ones we've prayed years for come closer to His heart.

We are going into 2019 with great expectancy and hope! We are sure that God is going to continue the work He is doing in Jackson. The best part is, it's not just for missionaries and pastors, it's for all of us! The local church, the church abroad, visitors, neighbors, we are all part of God's plan for Jackson! Whether you come on to a Saturday Serve Day, sponsor a week of Camp Hope, come to The Urban 'Sip during the week for your favorite coffee, support financially, pray for a missionary, pray for our neighbors in Hands & Feet, or become a missionary, YOU are part of the plan. We are excited for how God wants to use YOU this next year to share Christ with someone.

Right now we are praying into seeing more people join our team! We want to double our team of missionaries and pastors this year. The harvest is plentiful! Maybe that is you and Jesus is calling you to come be a part of what He's doing here in Jackson. If you are interested in what it might look like to be a missionary at We Will Go, plan a visit! And for more information about how you can serve or visit, you can email [info@wewillgo.org](mailto:info@wewillgo.org).

## The River

### BUILDING UPDATE

God has some awesome plans for this building! Keep praying with us as we are dreaming with Him on what His plans are for building His kingdom! There is still much to be done to The River. Maybe you or someone you know can help!

If you are interested in being a part of furthering the process of restoring this building, you can email [info@wewillgo.org](mailto:info@wewillgo.org).

## Camp Hope Summer Interns Needed!

## 2019 PRAYER & PROJECT LIST

We have many things we are praying in to at We Will Go going into this next year, whether it's improvements on our new building, training for missionaries, or upgrades in the wood shop! For a list of projects and prayer needs, you can email us at [info@wewillgo.org](mailto:info@wewillgo.org).

I just want to thank each and every one of you who made monetary donations, food donations, or provisions for our Thanksgiving and Christmas meals and, most of all, for all of your prayers. We were able to bless our neighbors and community in so many beautiful ways! In the last month we have been able to double the canned vegetables we give to the ones in need. Jesus we give You all the honor and praise!! He loves sending His beautiful Sons and Daughters to help in His Kingdom.

Even though the holidays are coming to an end we still would be so blessed for you to continue to partner with us in making donations. (See our needs list below.)

If you have any questions or would like to contact our food ministry about making donations or holding a canned food/snack bag drive, please call **Christy @ 601-398-2410 ext 2** or **662-614-1046 (cell)**.

**WE  
WILL  
GIVE**

We Will Go is a faith ministry, entirely dependent upon the generosity and responsiveness of the Lord's people to the prompting of the Holy Spirit. It is our joy and honor to share the love of Jesus with our neighbors, friends and visitors, for the purpose of making disciples for His glory. Many of our friends are very generous, both financially and through gifts and supplies they donate to We Will Go. We trust our Lord and Savior to speak to hearts to provide. **He is faithful!**  
Give online or by mail. See contact info below.
